No report from Independent

Chief DiValentino requested status on full time hire interview - Mr. Whitney indicated that interview should be scheduled for immediately prior to Council meeting next Monday.

Mayor - no items.

Agenda:

1. Advertisement has occurred for used aerial apparatus. Bids due 5/28/04. Still waiting for owner of Texas truck to request bid package. Bill Pross will call them and get them to contact Administration for the package.
2. Fire House(s) renovations: meeting to be set for next week to review architect/engineer responses, pick professionals - Fire company Chiefs to be invited
3. Cedar/Maple: Patty Remy and Peter Cooney spoke regarding the issues as they perceive them on Cedar. Peter's seem more addressed to parking for his customers, Patty as to the general availability. Chief indicates that his opinion is that the status quo should continue with enforcement of the signs extant on the street. Committee agreed with Chief.  
  
General discussion about enforcing traffic laws against USPS vehicles - Chief will check on it.
4. Motion by Mr. Fellmeth to place on agenda for council  
Advertisement of Ordinance changes to reflect the permanency of certain traffic control devices that have been installed by the Police as tests.
